In case of questions please contact Treasury Management Support at 847.939.9050.

The iBusinessBanking™ Mobile Service ("iBB Mobile™") is a function of our iBusinessBanking™ Service subject to the Treasury Management Agreement between you and the Bank. Please review the iBusinessBanking™ Service Terms and Conditions contained therein for the contractual terms relating to use of the Service. In the event of inconsistencies in those terms and these Mobile Terms and Conditions, the Treasury Management Agreement shall control.

This Service is provided to you by the Bank named above and is powered by a third party mobile technology solution (the "Licensor"). Section A of these Mobile Terms and Conditions is a legal agreement between you and the Bank. Section B is a legal agreement between you and your End Users and the Licensor.

In these Mobile Terms and Conditions, "you" refers to our business customer which has registered for iBusinessBanking™ Mobile, and the terms "Bank," "we" and "us" refer to the Bank named above. "End User" refers to your Authorized Representative/Security Administrator with authorities granted under iBusinessBanking™.

SECTION A1: iBB MOBILE™

1. Scope of Service. You may download the iBB Mobile™ App and use iBB Mobile™: (a) to view balances and recent transactions for each Account that you have enabled to be accessed from a Mobile Device (each a "Mobile Account"); (b) to make immediate, one-time transfers of funds between your Mobile Accounts under the same rules as provided in iBusinessBanking™; (c) to view alerts as long as you have enabled the option in iBusinessBanking™; and (d) to make deposits to your Mobile Accounts through iBB Mobile™ RDC, as provided in Section A2 below.

2. Accessing iBB Mobile™. Use of iBusinessBanking™ is required for access to iBB Mobile™. Your End User must have a Mobile Device that can send and receive information using the technology that supports this Service. Internet access is not required on the Mobile Device to use the Service; however, certain functions are only available through the Internet. The kinds of Mobile Devices and the telecommunications carriers that support Mobile Services are described on Bank's website. End Users are responsible for the purchase and maintenance of their Mobile Devices and for any contracts with the telecommunication carrier necessary to operate the Mobile Device.

End Users will download the iBB Mobile™ App directly from either the Apple App Store or Google Play, depending on their Mobile Device's operating platform. The Service and any application obtained from the Apple App Store or Google Play may not be available at any time for any reason outside of the reasonable control of Bank or any of its or your service providers. It is your responsibility to ensure that End Users download all updates and/or new versions of the iBB Mobile™ App when alerted of such updates and/or new versions.

End Users are required to log into iBusinessBanking™ via a computer on at least one occasion prior to accessing iBB Mobile™. Enrollment requires identification of the End User's iBusinessBanking™ login credentials as well as a Token. In the event that an End User utilizes the biometric function of a Mobile Device that offers the capability to access and /or authorize banking transactions, be aware that the Service will accept

any person's authorized biometric (i.e. fingerprint or Face ID) that the Mobile Device currently allows. This could result in someone with biometric access to a Mobile Device potentially gaining unauthorized access to your Accounts with Bank.

2. Your Responsibility for Security. It is your responsibility to properly secure Mobile Devices linked to your Accounts, including the authorities of End Users. Mobile Devices with Internet capabilities are susceptible to viruses. You are responsible to ensure that Mobile Devices linked to your Accounts are protected from and free of viruses, worms, Trojan horses, or other similar harmful components that could result in damage to programs, files, and/or such Mobile Devices or could result in information being intercepted by a third party. Bank is not responsible if any non-public personal information is accessed via iBB Mobile™ due to a virus residing or being contracted by a Mobile Device at any time or from any source.

3. Other Services. Customers that have subscribed to the following Treasury Management Services will also have access to those Services through a Mobile Device, in each case subject to the applicable Service Terms and Conditions: iBusinessCapture™, Positive Pay and ACH Positive Pay. Please note that not all iBusinessBanking™ website functionality and services are available when you use a Mobile Device, and Mobile Banking functionality available to you may vary based on the Mobile Device use and/or other factors. For those iBusinessBanking™ Services available through your Mobile Device, the iBusinessBanking™ Services may use different terminology and appear in different formats when viewed through your Mobile Device. In addition, you may be required to follow different instructions to access iBusinessBanking™ Services through your Mobile Device.

Any software provided by Bank or its subcontractors pursuant to the RDC Service shall be considered Software as defined in Section B.

3. Requirements, Suspension and Cancellation of RDC Service.

a. Mobile Banking Requirements. Use of iBB Mobile™ is required to use a Mobile Device as a Capture Device.

b. System and Software Requirements. In order to utilize the RDC Service, you must have system and software with the indicated specifications. If you will be accessing the RDC Service from the iBB Mobile™ App, the following mobile devices are supported (Data Plan is required): Apple and Android devices running latest 2 major OS versions; device must have an auto-focus camera. Older devices and OS versions will not be supported, and the RDC Service is not available with a Mobile Browser, Blackberry or Windows device at this time.

c. Image Quality. The Check image transmitted to us through the RDC Service must be legible, as determined in our sole discretion. Each Check image must show all four corners of the Check and provide all information on the front and back of the original Check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original Check, MICR-information at the bottom of the Check, signature(s), any required identification written on the front of the Check and any endorsements applied to the back of the Check. The Check image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

d. Endorsements and Procedures. End Users must restrictively endorse any Item transmitted through the RDC Service as "**For Mobile Deposit only, [Name of Bank], Depositing Business Name**" or as otherwise instructed by Bank. If the Check is made payable to you and another payee, both of you must endorse the Check, and it must be deposited into an Account owned by both of you. If you don't properly endorse the check, your deposit may fail. The Bank reserves the right to reject all items that are not endorsed as specified. You agree to follow any and all other procedures and instructions for use of the RDC Service as Bank may establish from time to time.

e. Authorizations. You authorize us to convert Items to IRDs or transmit Items as images and further authorize us or any other financial institution to which an Item is sent to handle the Item. You agree to, at your sole expense, (i) provide connectivity between the Capture Device and the Technology; (ii) maintain the Capture Device in accordance with the instructions provided by Bank, its subcontractors and/or any other Capture Device provider; (iii) as applicable, utilize your software, or our software to scan, load, and format Items as needed for transmission to Bank; (iv) process return data and any remittance data delivered by Bank for the purpose of updating your internal systems (which may include electronic and paper return Items); and, (v) implement and maintain security measures, including firewall protection, in compliance with your obligations under this Agreement. You further agree to comply with any instructions and/or procedures regarding the RDC Service and submission of Items that we may issue from time to time.

f. Withdrawal of Access/Suspension of RDC Service. We reserve the right to deny, suspend or revoke access to the RDC Service immediately, in whole or in part, in our sole discretion, without notice, if we believe you and/or your End Users are in breach of the Agreement or are otherwise using or accessing the RDC Service inconsistent with these Terms and Conditions. Further, Bank or our subcontractor shall have the right to suspend the RDC Service immediately (i) in the event of an emergency or in the event of force majeure, (ii) if Bank is uncertain as to the accuracy of any Item, or (iii) if we determine in our sole discretion that your financial condition renders your use of the RDC Service no longer advisable.

g. Handling of Transmitted Items. You are responsible for the proper disposal of all original Items following their transmittal to Bank. You agree to retain and safeguard the original Item for at least 14 days after transmittal of the Item. After 14 days and subject to your verification that the funds associated with the Item have been added to your Account balance, you agree to mark the Item "VOID" and properly dispose of the Item by shredding or another commercially acceptable means of data destruction. All Items deposited using the RDC Service are subject to final confirmation that an acceptable IRD has been created for further collection.

h. Prohibition on Duplication of Deposits. Unless Bank has notified you that an Item has been rejected or returned unprocessed, you are prohibited from subsequently presenting for deposit any Item included in an IRD either in its paper-based form or in digital form within another deposit. You agree that the posting of a deposit by Bank into your Account, such that it appears in the transaction history of the Account as presented through Bank's Online Banking system, shall constitute confirmation that an IRD has been credited to your Account and you shall properly dispose of the Item. You shall indemnify Bank for any and all losses or other damages Bank may suffer as a result of any deposit of an Item more than once. You expressly authorize and instruct Bank to debit your Account(s) in the amount of any Item which is deposited more than once.

i. Account Statement Examination. Unless you notify Bank of any errors to deposits made through the RDC Service within 14 days after the applicable Account statement is mailed or otherwise provided to you, such statement regarding all deposits made through the RDC Service shall be deemed to be correct.

4. Payment Processing.

a. Deposit Limits. There are limits to the number and dollar amount of deposits that may be made using the RDC Service. Please note that each Check scanned will be counted as a separate deposit. The following limits will apply:

The IRDs will be created in accordance with Check 21; alternatively, Bank may process Items as photocopies in lieu of originals, under guidelines established between us and applicable industry standards. Items that fail to satisfy your warranties, that fail to meet the requirements of Bank or Check 21, or that are otherwise not able to be processed, may be charged back to your Account(s) or returned to you. You agree to be bound by any clearinghouse agreements and operating circular and image exchange agreements to which we are a party. In no event will we be liable for any interest on an Item that is rejected.

c. Processing of Items. Images of Items transmitted by you are not considered received by us until you have received an electronic confirmation of the receipt of the deposit from Bank. However, receipt of the confirmation from Bank does not mean that the transmission was error free or complete. Items transmitted by you and received by us or our subcontractors by 6:00 p.m. CST Monday through Friday shall be credited to your applicable Account on the same Business Day. Items received by us after 6:00 p.m. CST on any Business Day or on a Saturday, Sunday or federal holiday shall be credited to your applicable Account on the next successive Business Day. You acknowledge that all credits received for deposit are provisional, subject to verification and final settlement. Any dishonored Items will be returned as an image of the original or a substitute Check as the charged-back Item. Information and data reported hereunder: (i) may be received prior to final posting and

However, it is important that you understand the limitations of the Mobile Services. The balance of a Mobile Account may be subject to change at any time, and the information provided to you through iBB Mobile™ may become quickly outdated. Because the Mobile Services are accessible only through your Mobile Device, your access to a Service may be limited by the service provided by your telecommunications carrier. We are not responsible for any delay, failure or error in the transmission or content of information provided through the Mobile Services. Neither we nor our Licensor will be liable for damages arising from the non-delivery, delayed delivery, or improper delivery of any information through the Mobile Services; from any inaccurate information provided through the Mobile Services; from your use of or reliance on any information provided through the Mobile Services; or from your inability to access the Mobile Services.

2. Changes to Your Contact Information. It is solely your responsibility to assure that the contact information you have provided to us for iBB Mobile™ is current and accurate. This includes not only the telephone number and telecommunications carrier for your Mobile Device, but also your name, address, other phone numbers, and your e-mail address. You may contact us about corrections and/or updates by accessing our secure email service (click on the Customer Service Menu when you are logged in to our iBusinessBanking™ home page on the Internet), by phoning us or by writing to us.

3. Withdrawal of Access/Suspension of Service. We reserve the right to deny, suspend or revoke access to any Mobile Service immediately, in whole or in part, in our sole discretion, without notice, if we believe you and/or your End Users are in breach of these Terms and Conditions or are otherwise using or accessing the Service inconsistent with these Terms and Conditions. Further, we or our subcontractor shall have the right to suspend Services immediately (i) in the event of an emergency or in the event of force majeure, or (ii) if we determine in our sole discretion that your financial condition renders your use of the Service no longer advisable.

4. Termination.

a. Termination. In addition to the denial, suspension, revocation and termination provisions above, Bank may immediately terminate iBB Mobile™ or any portion of the Mobile Services if Bank determines that such Service or portion of any Service is in violation of the any other law or regulation, or in its sole discretion and without notice, decides to cease providing this Service. You may terminate a Service with notice to Bank.

b. Obligations upon Termination. Upon the termination of this Agreement for any reason: (i) your access to, and use of, the Mobile Service will terminate; (ii) you will return to Bank any and all Bank's equipment, software, documentation, Technology or other deliverables provided to you by Bank, including any copies thereof held by you; and (iii) each party shall return any and all Confidential Information in its possession to the party that disclosed such Confidential Information or destroy same, and, upon request, provide written verification of same. Notwithstanding the foregoing, Bank's obligations with respect to subsection c) shall be subject to Bank's record retention policies and applicable laws and regulations.

5. Confidentiality.

a. Bank's Confidential Information. You acknowledge that the Technology and Services contain valuable trade secrets, which are the sole property of Bank or our subcontractors and you agree to hold (i) such trade secrets and (ii) any and all other information designated by us as confidential (collectively, with the trade secrets, the "Confidential Information") in strict confidence and disclose only to those agents whose duties reasonably require access to same, provided that all such agents are informed of such use or disclosure restrictions as set forth herein and agree to same. You will take no less than all reasonable steps to prevent the unauthorized use, disclosure, duplication or access to the Confidential Information. You agree to notify us promptly upon learning of any unauthorized disclosure or use of any Confidential Information.

b. Unauthorized Use. You acknowledge that the unauthorized use, disclosure or duplication of any Confidential Information shall constitute a material breach of this Agreement and is likely to cause us irreparable injury, for which there is no adequate remedy at law. Accordingly, you hereby agree that we may seek injunctive relief against you to prevent or remedy any breach of your confidentiality obligations described herein. You agree to indemnify Bank and hold us harmless from and against any and all losses, liabilities, claims, damages and expenses (including reasonable legal fees and expenses) arising from or relating to the disclosure of any Confidential Information or the failure to keep the Technology secure. You understand and agrees that the use of the Technology and Services is confidential and agrees to assume all risks of accidental disclosure, inadvertent use or unauthorized use by any party whatsoever, whether or not such disclosure or use is on Account of your negligence.

c. Information Sharing. Bank and its Licensor may receive and may share with one another names, domain names, addresses, telephone and device numbers, the content of messages, data files and other data and information you provide or from other sources in connection with the Mobile Services.
